Laptop store Engineers are experts in offering quality chip /component level repair services for motherboards of most major Laptop / Notebook brands in DELL.

We service DELL brands of laptop /notebooks @ best rate, including parts. We often resolve common symptoms such as; won't power up, software issues, broken power connector, memory, CD drive won't read, failed hard drive. We also offer specialty services including: data backup to DVD, data migration from one laptop to another, and data recovery from severely damaged units where the laptop may not be repairable but the hard drive is still functioning. We strive to protect and/or recover our customers valuable data.

We've repaired laptops with broken screens, cracked cases, loose hinges, laptops that had fluids spilled inside, and even several that were RUN OVER BY CARS! Some of these repairs may fall outside our flat rate pricing, but help show that whatever problem your notebook has, laptop store can handle it. At Laptop store, engineers' primary goal is to exceed customer expectations by offering the highest quality and fastest service, coupled with world-class post-sales support.
